Welcome to Albion

Make Yourself at Home!

Welcome to Albion!

Our town has once been known as the Gateway to the Sandhills, but more recently as a “Gateway to Opportunity”.

Albion offers a safe, rural lifestyle for citizens of all ages, yet has a number of amenities not found in many Nebraska towns of similar size. We have a good range of dining establishments – fast-food, down-home cooking, coffee shops, breakfast specialties, and fine-dining too! Our school district is financially stable, yet academically progressive. Albion boasts an array of health care services that are second-to-none. Local civic, not-for-profit, religious, and other social organizations provide various opportunities for citizens to be involved in their community.

As you can see on this map there are a diverse number of recreational opportunities for kids of all ages – well maintained parks, sporting facilities, swimming pool, public library, fitness center, movie theater, churches, senior center, museum, bowling, auto racing, and a nature preserve north of town!

Thanks to a robust agricultural industry, a strong sense of community, and other economic growth initiatives we have outstanding career opportunities locally as well!

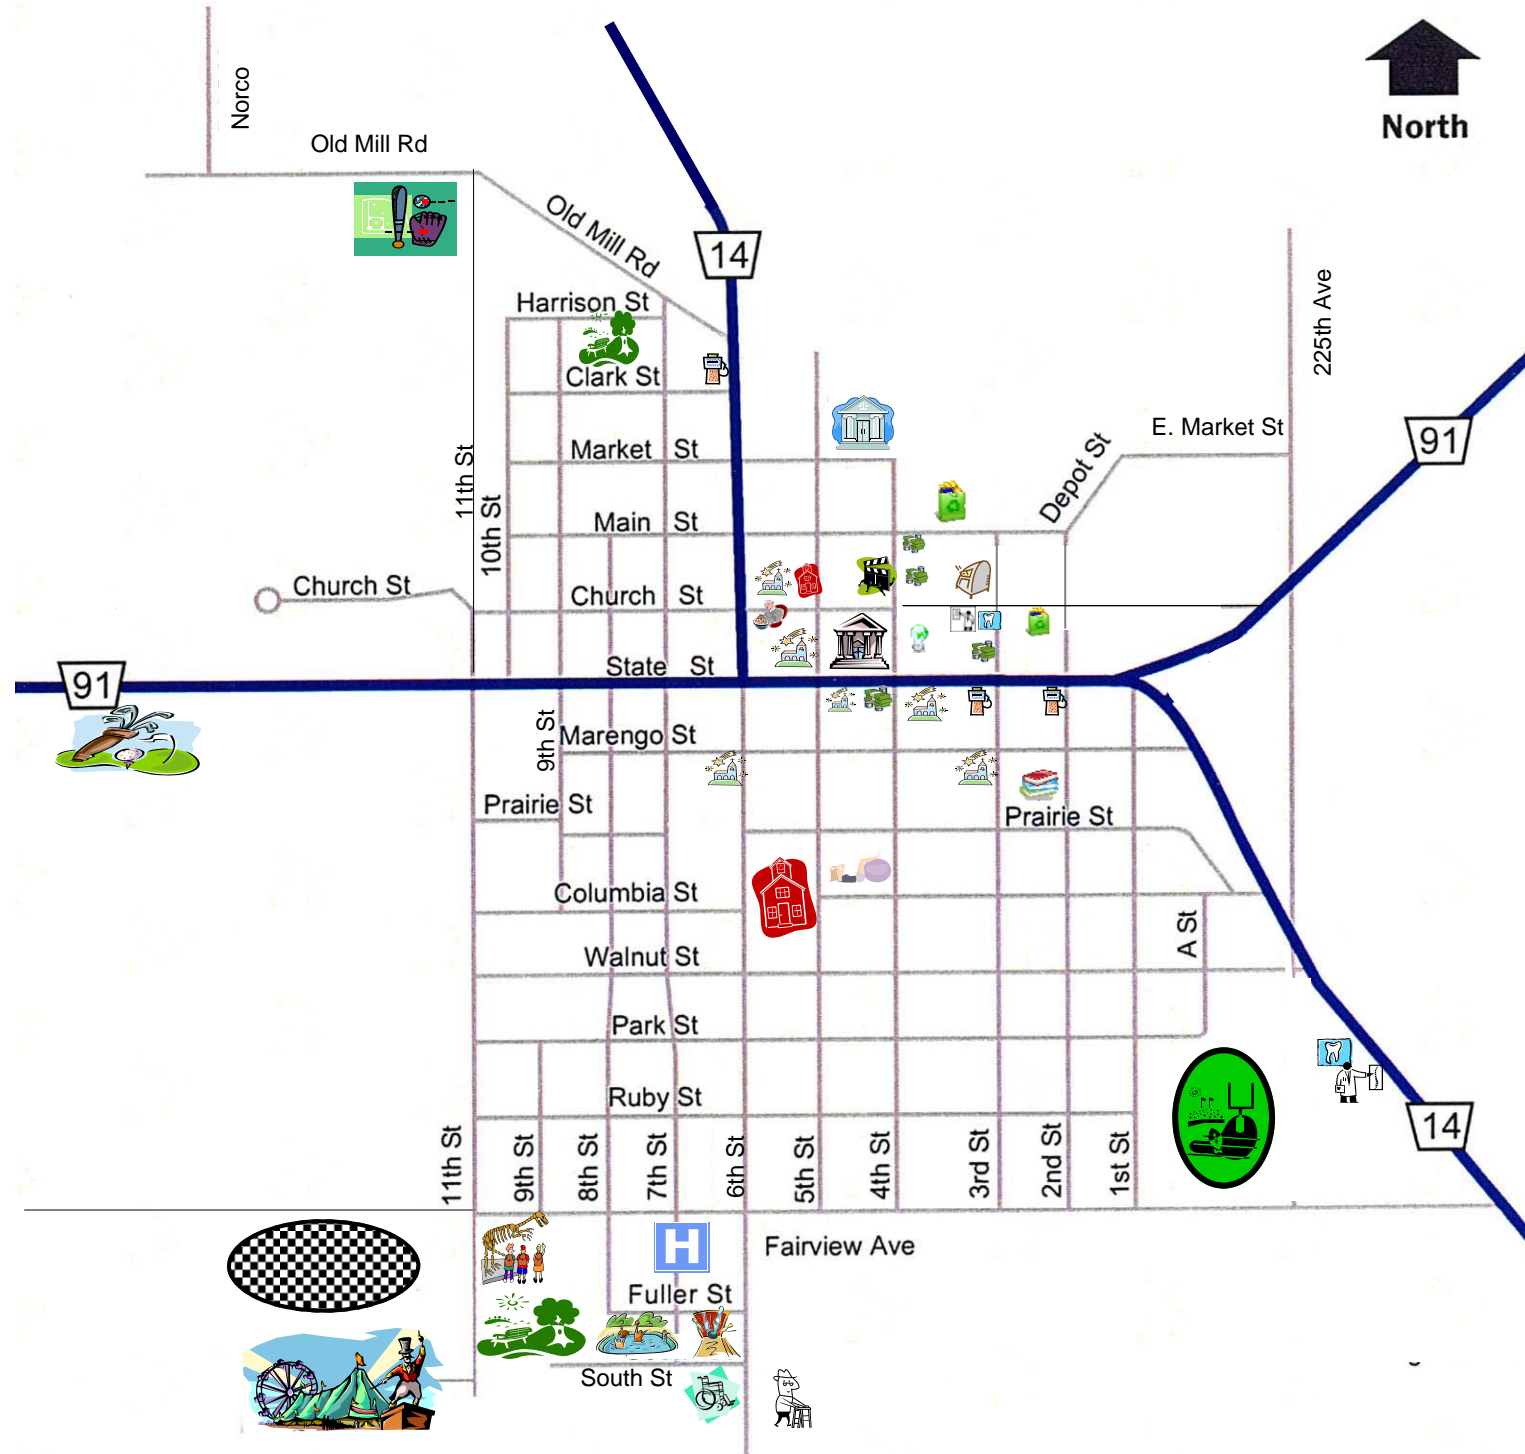

In closing, I’d like to sincerely thank you for your interest in the Albion community – whether you’ve lived here for years, have just moved to town, or are considering an opportunity to relocate here - we are proud to welcome you as a member of the community and appreciate your interest in Albion’s future.

James C. Jarecki
MAYOR, JAMES C. JARECKI
